LinkedIn: [linkedin.com/in/tanishsanchaniya020](https://linkedin.com/in/tanishsanchaniya020)

## PROFESSIONAL SUMMARY

---

BCA student with a strong interest in software and web development and hands-on project experience across frontend and backend technologies, including React, Node.js, PHP, ASP.NET, MySQL, and MongoDB. Enjoys learning new skills, building useful projects, and using AI-assisted development tools to learn faster. Seeking an internship or entry-level role to grow as a full-stack developer.

## TECHNICAL SKILLS

---

**Web Development:** HTML, CSS, JavaScript, React, PHP, ASP.NET, Node.js

**Databases:** MySQL, MongoDB

**Programming Languages:** C, C++, Java, Python

**Concepts:** Object-Oriented Programming (OOP)

**Tools:** Git, GitHub

**AI & Modern Development:** AI-Assisted Development, Prompt Engineering, AI Tools & LLMs, AI-Assisted Code Generation, AI-Assisted Debugging, AI-Assisted Research & Learning

## EDUCATION

---

### Bachelor of Computer Applications (BCA)

Sutex Bank College of Computer Application & Science | 5th Semester Completed

## PROJECTS

---

**Library Management System** | ASP.NET; HTML, CSS, PHP, MySQL; React, Node.js, MongoDB

- Built the same library system in three technology stacks, gaining practical full-stack and project-based learning experience.
- Implemented admin and user login, user management, and a dashboard.
- Developed book management (add, edit, delete), issue and return of books, book requests, and book search.

**Personal Portfolio Website** | HTML, CSS, JavaScript

- Developing a responsive personal portfolio to showcase about, technical skills, education, projects, resume, and contact information.
- Focused on clean, modern design and an interactive user interface.

**Nehvisa Holidays** | Travel Website | Currently in Development

## AI-ASSISTED DEVELOPMENT

---

Familiar with using AI tools and prompt engineering to support coding, debugging, research, documentation, problem solving, and learning new technologies.

## PROFESSIONAL STRENGTHS

---

Problem Solving | Continuous Learning | Logical Thinking | Project-Based Learning | Adaptability | Willingness to Learn New Technologies
